ABOUT THE TRIP

Faith. Love. Adventure. These are the foundations of *Ciao Roma Travel*. Love of faith drives us to the adventure that Rome offers. *Ciao Roma Travel* began in order to provide travelers and pilgrims with a spiritual experience of a lifetime. Many people travel to Rome, but *Ciao Roma Travel* wants you to experience Rome. Rome can overwhelm a traveler with her multitude of sights, massive amounts of ristorante and the throngs of people! It is indeed the city that never sleeps! *Ciao Roma Travel* is here to walk you through this bustling city and show you how to truly experience the Eternal City. After we conquer Rome, the adventure continues to other pilgrimage sights throughout Italy, including Assisi, Florence, Orvieto and other potential day trips.

Ciao Roma Travel sets itself apart from other tour companies.

- * *Ciao Roma* Pilgrimages are designed to provide the pilgrim with a balance of spiritual and historical elements as well as offering a personality unlike any other tour company.
- * Each *Ciao Roma* adventure will have a priest along to celebrate Mass in the morning at St. Peter's or at one of the major basilicas and cathedrals
- * All meals are carefully chosen, personal favorites of *Ciao Roma*.
- * Praise & Worship is offered for those who like to lift their voices in song to our God.
- * Optional "Couples/ Friends Evening" allows travelers to step away from the group for an evening and experience a night in Rome with their spouse or friends.
