Dear Parents:

I have made the arrangement to host a team here at Holy Trinity who will do Totus Tuus for us. The team presents a grade school program (2017-18: grades 1-6) that runs Monday-Friday, July 24-28 from 9:00 a.m. – 2:30 p.m. **The team puts on a program Sunday-Thursday, July 23-27, from 7:00-9:00 p.m. for 2017-18 Junior High and High School Youth.**

It is really a fun week full of learning, games, song and fun. The evening sessions are also very good in helping our youth get personal with their faith.

I just want you to make plans to have your youth attend. Please register your students in the grade that they will be in next fall. So this year's 6th graders will register for the high school program. 2017 graduating seniors are welcome to register with the high school program if they would like to attend. The cost for the Elementary Section will be \$20 per child with a \$40 maximum for a family. **The cost for the Jr-Hi and High School will be \$5 per night.** It is hoped that the youth will come to all four nights but the fee is done this way to accommodate various schedules for the youth.

The normal daily mass at 8:05 will be moved to another time of day (to be determined) each day for the Elementary section. Further details on the schedule will be forthcoming.
