Re: Updating our Parishioner Data

Dear Parish Family:

It was three years ago that we worked to update our parishioner data for our Parishes' use. Another task we are undertaking is with our elementary school, West Catholic, to create a database of it's alumni. 2019 will mark the 100th Anniversary of our school, which is actually comprised now of the history of St. Boniface School, St. Joseph School, St. John the Baptist School and now West Catholic Elementary School.

Additionally, time moves so quickly, that many people have changed from landlines to cell phones, email addresses change quite often etc., so we are taking the time and asking for your help to gather and update all of this information.

So you are aware, this data is only for our Parishes and school use. It is not provided to anyone else except mailing addresses are updated with the Archdiocese of Omaha so that all parishioners receive the Catholic Voice – Archdiocesan Newspaper. (By the way, if you are not receiving it, please let our office know so that we can make sure you do).

This data is important to help us best communicate with all of you.

Enclosed, is a Data Sheet that I am asking you to please fill out completely. It is helpful if you print so that we can clearly read all your information and update it correctly. Please help us out by completing the information for you and any of your children that might have attended Catholic elementary school at West, St. Boniface, St. Joseph or St. John the Baptist, so that we can create this new database.

Thanks for all your help.

Fr. Jim Keiter
